

## RAF Air Cadets Cadet Health Declaration Form

### Information for parents/guardians

It is extremely important that the RAF Air Cadets has a detailed understanding of your child's medical conditions including information relating to allergies and special dietary requirements. This information is used to help us plan our authorised events and activities and ensure that your child is catered for appropriately.

It is important that parents/guardians understand that some severe medical conditions may prevent your child from taking part in some events or activities. The unit Officer Commanding may wish to speak to you about any conditions declared on this form to seek further information and clarification as appropriate. Our goal is to ensure your child's safe participation in as many events and activities as possible.

### Section 1 – Cadet Details

We will add your child's contact details to the Cadet Forces Management Information System (MIS) which is used to manage their membership in the RAF Air Cadets and act as their central record.
